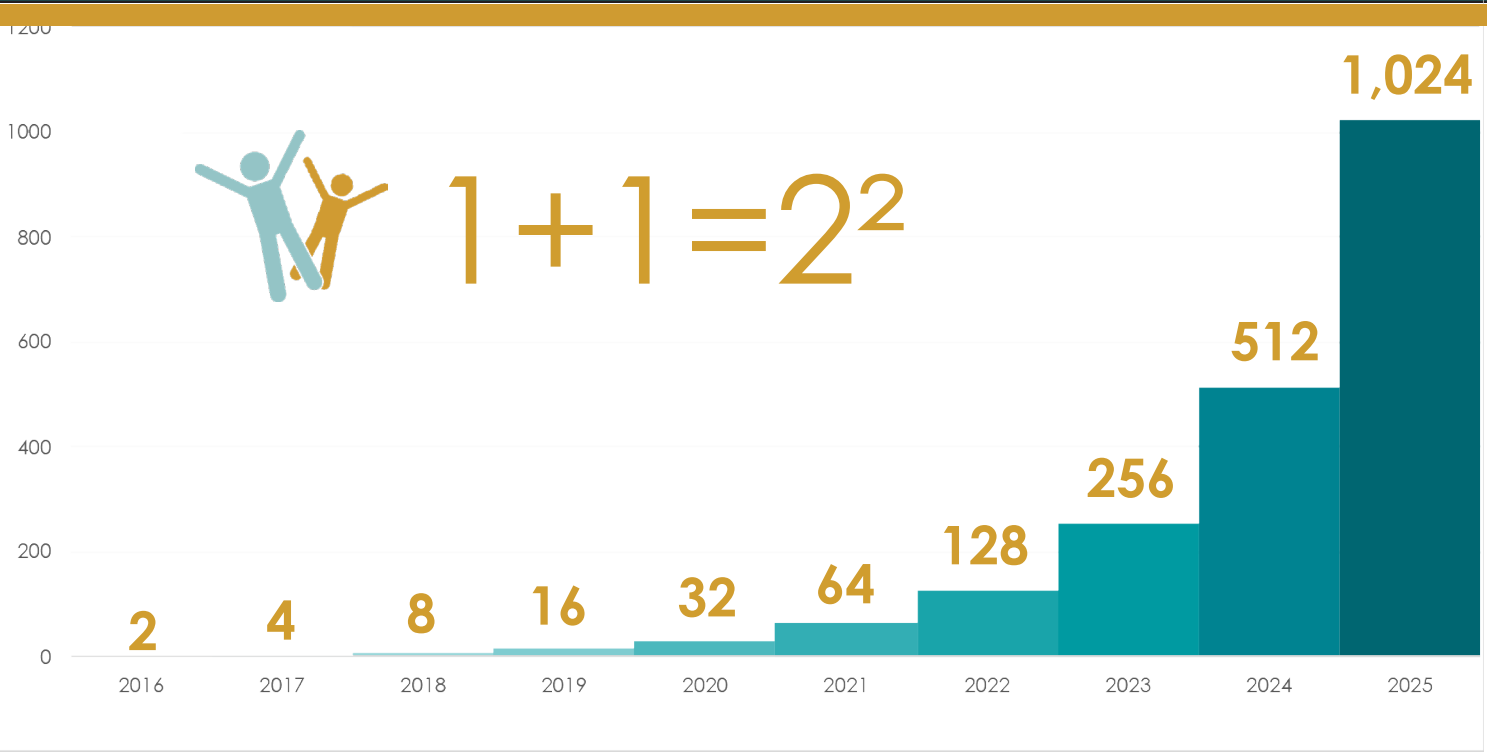
MULTIPLYING DISCIPLE MAKERS



GROWTH

If every believer in our community makes one disciple each year we will reach over 100 disciples in 2022 and over 1,000 in 2025.

Only four out of nine people who desire to start a Bible-reading Life Transformation Group® actually show up and put in the effort.

100% of people who adopt a Bible reading Life Transformation Group® as a lifestyle become disciple makers who multiply disciple makers.
